PROFILE SUMMARY

Enthusiastic MCA graduate with practical experience in web application development using MERN Stack, Python, JavaScript, HTML, CSS, and MySQL. Skilled in designing responsive applications, developing RESTful APIs, and implementing database-driven solutions through internships and academic projects. A quick learner with strong problem-solving and collaboration skills, seeking an opportunity to contribute to software development and grow in the IT industry.

ACADEMIC QUALIFICATION

- **Master of Computer Applications** -St Joseph Engineering College Mangalore
CGPA 8.58 out of 10 | June 2026
- **Bachelor of Computer Applications** - Dr. P. Dayananda Pai-P. Sathisha Pai Government First Grade College, Mangalore
CGPA 8.87 out of 10 | July, 2024
- **Senior Secondary (Class 12)** - Shri Venkataramana Swami PU College Bantwal
Percentage 87.33% | March, 2021
- **Secondary Education (Class 10)** - Sri Sharada High School Panemangalore
Percentage 87.36% | March 2019

PROJECTS

- **Music Academy Website | March 2025**
Objective : Developed a responsive Music Academy Website to streamline student registration and communication processes. The platform provides academy information, online registration, and inquiry submission features, improving user convenience and reducing manual administrative work.
Tech Stack : PHP, HTML, CSS, JavaScript, MySQL
- **AI-Based Pneumonia Detection from Chest X-Ray | January 2026**
Objective : Developed an AI-based solution to detect pneumonia from chest X-ray images using Deep Learning techniques. The application supports early diagnosis by analyzing medical images and displaying prediction results through a user-friendly web interface.
Tech Stack : Python, HTML, Tailwind CSS, Deep Learning, CNN
- **Sarathi Furniture E-Commerce Website | May 2026**
Objective : Developed a full-stack e-commerce platform that enables users to browse, search, and purchase furniture products online. The system includes features such as product management, shopping cart, order tracking, and secure data handling to enhance the overall shopping experience.
Tech Stack : React.js, Node.js, Express.js, MongoDB, CSS, Bootstrap, Postman, JWT, OAuth
Website : <https://sarathi-furniture.vercel.app/>

INTERNSHIP

Kakunje Software Private Limited | Feb – May 2026

Role: Web Development Intern

Description:

Completed a Web Development Internship focused on MERN Stack technologies, including MongoDB, Express.js, React.js, and Node.js. Developed responsive web application modules and implemented RESTful APIs to support frontend-backend communication. Assisted in database integration, testing, and debugging activities to improve application functionality and reliability. Collaborated with the development team to deliver project requirements and enhance user experience.

InternPe | June – July 2025

Role: Python Programmer Intern

Description:

Completed a Python Programming Internship involving application and game development using Python, Tkinter, and Pygame. Developed functional projects including a Digital Clock, Snake Game, and Connect Four Game, demonstrating object-oriented programming and problem-solving skills. Implemented graphical user interfaces and game logic components while gaining practical experience in debugging, software development, and application design.

CERTIFICATIONS

- **Research Methodology and IPR**, SWAYAM - NPTEL - July 2025
- **Privacy and security in online social media**, SWAYAM - NPTEL - Oct 2025
- **Web Development Certification**-Kakunje Software Pvt Ltd -Feb-May - 2026

CORE COMPETENCIES

- **Technical Skills** : Python, HTML, CSS, JavaScript, MySQL, MongoDB, React.js, Express.js, Bootstrap, Postman, Java, Tailwind CSS, Github, Vercel
- **Soft Skills** : Problem Solving, Communication, Teamwork, Time Management, Adaptability, Quick Learning, Responsibility
